Re: ***United States v. Michael Rose*, S1 21 Cr. 224 (VEC)**
Request to Return Passport

Dear Judge Caproni:

We represent defendant Michael Rose in the above-captioned matter. We write with the consent of the government and the supervising Probation Officer to request that Your Honor issue an order permitting Pre-Trial Services to return Mr. Rose's passport to him. Mr. Rose anticipates, among other things, international travel in his ongoing efforts to rebuild his family business, upon sufficient advance notice and with the consent of his Probation Officer. He will of course continue to comply fully with all other terms of his supervised release.

Thank you for the Court's consideration of this request.

Respectfully submitted,

Samidh Guha
